Section G - Source of wealth declaration (in your own words)

Declaration	My wealth comes from my salary and dividends as the founder and Managing Director of Lim Precision Trading Pte Ltd, which I started in 2011 with SGD 100,000 of my own savings from my years as a sales manager. The company distributes industrial machine parts to manufacturers in Singapore. I also own two residential properties in Singapore which have increased in value and one of which earns rental income. I have no other business interests and all my income is declared in Singapore.
